

FROM THE DESK OF THE PRESIDENT

FROM THE DESK OF THE PRESIDENT

Can you believe it? January is over . . . what always seems to me to be the longest, coldest, most difficult month to get through is behind us. Each day that passes the next 2 short months brings us closer to Spring and nicer weather when we can get out more and enjoy our cars!

Each passing day also means the date of our Corvette Cup is rapidly approaching. There's much to be done if we are to have a successful Cup . . . Dian Pauley and her group of core organizers have been hard at it for some time now . . . you all should have your packet of raffle tickets to sell . . .OF COURSE, more are available. Even in todays' economic climate most people would come up with \$2 when asked to buy a ticket for such a worthy event. . . that is, support of the Central MO Dream Factory.

If you can volunteer any time or in any way can assist Dian, please give her a call @ 573 874 1482 or e-mail her: glpauley@hotmail.com. This is the one time of the year that Club members are asked to work. . . the rest of the year we devote to fun.

Corvette Glossary . . . "Sting Ray" . . .1963 through 1967 Corvette (different from Stinray which was designated 1969 through 1976).

Corvette Date July 31, 1981 . . . St. Louis Corvette assembly plant produces it's last Corvette. . a beige coupe.

See ya' at the February meeting !

JANUARY MINUTES

Jan 17, 2009, MMCC held their monthly meeting at The Upper Crust in downtown Columbia

Visitors: Ed Burk - Owns a '68 convertible

Treasurer: \$2,170.68 Club acct.
\$5,273.13 Cup acct.

Vice-President Report: Nellie is asking for ideas for places to hold our meetings. We are growing and it is getting harder to find a place large enough. Average attendance is 40 - 60 people. Places that have a room large enough to accommodate us want to charge for the room or want a guaranteed number. Others will reserve space if we give them a fairly accurate estimate. Dallas is going to check with Chick's BBQ to see if they will waive the room charge. Another suggestion was the Boat in Booneville. The February 15th meeting is pending but may be at the Quality Inn. We are looking at Madison for the March meeting.

Secretary Report: We are preparing to print the club directories. A list was passed to check information and correct if needed.

Doc's Museum Report: The building should be finished when the caravan comes. Someone from Washington won the corvette raffle.

Upcoming Events:

11th Annual O'Reilly Auto Fest - Feb 7 - 8 in Springfield, MO. Call Mike Luebbert for information. Cost is \$30.

Eagle Watch Jan 24th - Clarksville, MO. Meet at Breaktime in Moberly at 8am. Call Lewis or Mary Ellen for information.

Texas Motor Speedway - May 14 - 18. Rooms for \$94/night. Call Cheryl for information.

Ad-hoc Committee: No new information. Will meet in February.

Calendar Sale: The sale is over and we cleared \$127.30.

Caravan Update: Bobby Mallory passed our caravan brochures. The rooms are taken but they may get more rooms. Call Bobby Mallory if you are interested.

Miscellaneous:

Bob Mallory has continued discussions with the Highway Patrol regarding the 1/4 mile test track. The Great Rivers Club will allow us to use their \$1,000,000 insurance policy for the 1/4 mile test track. We may be able to use the Highway Patrol facility in Jefferson City.

A suggestion was made to have guest speakers at the meetings. For instance tips on detailing cars, etc.

Mike and Karen Luebbert are new grandparents to granddaughter Karolina Louise.

50/50 was \$92.00 with half being \$46.00. Bobby Mallory was the winner.
